

## American Promise 28th Amendment Candidate & Elected Official Pledge

I support amending the United States Constitution to 1) secure fair, free elections by limiting the undue influence of money in politics; 2) protect the rights of all Americans to equal participation and representation, rather than overrepresentation of donors and special interests; and 3) protect the unalienable liberty of people rather than new privileges for the largest corporations, unions, and special interests; and

I pledge to use my office to advance this 28th Amendment in any and all legal ways, including, but not limited to: sponsoring or cosponsoring bills, resolutions, or other legislation advancing proposal or ratification of the 28th Amendment; voting in favor of such bills and resolutions in committee, subcommittee, or floor votes; working to build cross-partisan support; and publicly advocating for the necessity of this Amendment.
